Thank you for joining our Troll family for the Crystal ice-cave adventure!

Important information. Please read below!

Meeting location in Jokulsarlon Glacier Lagoon

The meeting point is at [Tröll Expeditions Crystal Blue Ice Cave, Jökulsárlón- Google Maps](#)

You need to arrive 20 minutes before departure time!

Our guides will be there in the parking lot of the Glacier Lagoon, to welcome you and to check you in. You should see white Super-Jeeps behind the food trucks, on the right side of the public toilets (if you are looking from the parking lot area), as well as a sign with written *Tröll Expeditions*.

Please note that if you arrive after departure time your place on the tour can't be guaranteed or refunded.

Driving time from Reykjavik to the Meeting Point in Jokulsarlon Glacier Lagoon

It will take you around 5-6 hours, in good road conditions (takes longer in snowy days), to drive to the meeting point from the capital area.

If you arrive early, you can stay inside the cafeteria which offers good snacks (lobster sandwich is recommended) and has free restrooms.

Please make sure to check the roads conditions before start driving on the official website [Road.is -Roads conditions in Iceland](#)

Clothing & Hiking Boots

It is very important to be properly dressed for this tour with an external waterproof layer, thermal under layer and comfortable outdoors clothing (hat and gloves according to the weather), in order for you to stay warm. Jeans are not an option for glacier activities and ice caves!

Hiking boots are a must!

Communication

Please make sure to check your email (inbox and spam) before you hit the road, just to double check that everything is still running as scheduled. If the tour happens to get cancelled due to unfavourable conditions, then a cancellation email will be sent out as soon as possible.
